Subject:	Zürcher Kantonalbank launches an ETF on gold		

Ladies and Gentlemen

The SWX Swiss Exchange is pleased to inform you that an additional product is about to be listed in the Exchange Traded Funds segment of SWX. It is the:

- **ZKB Gold ETF** from Zürcher Kantonalbank on physical gold. The security number is 2'439'100 (ISIN number: CH0024391002; symbol: ZGLD) and the trading currency is CHF.

Zürcher Kantonalbank has concluded a market-making agreement with SWX and taken on the obligation to make a market in these securities.

As a result, the ETF segment will comprise 35 products. The first trading day for this new issue is 15 March 2006, opening at 9:00 am. The order book will be opened as of 14 March 2006 and be available for traders for order entry.

We wish the new ZKB ETF a great trading start.

Yours sincerely

SWX Swiss Exchange
